

Declaration of Conformity

This is to declare that following

IPDU-S2-Rev0	Secure Remote Power Control Rebooter
--------------	--------------------------------------

conforms to the requirements of EU Council Directives of the approximation of the laws of the Member States relating to electromagnetic compatibility.

NTI can not accept responsibility for any failure to satisfy the requirements resulting from a non-recommended modification or installation of the product, including the use of non-NTI products and/or cabling.

This product has been tested and found to comply with the limits for Information Technology Equipment according to:

Directive	Standard	
CFR47 Part 15B	CISPR 22 Edition 6.0 2008-09	Radiated & Conducted Emmisions
2004/108/EC	BS EN55022 :2006 +A1 :2007	Radiated & Conducted Emmisions
2004/108/EC	BS EN 55024:1998 +A2:2003	Immunity
2004/108/EC	BS EN61000-3-2:2006 +A2:2009	Harmonics
2004/108/EC	BS EN 61000-3-3:2008	Flicker
2004/108/EC	BS EN61000-4-2 :2009	ESD Immunity
2004/108/EC	BS EN 61000-4-3:2006+A2:2010	Radiated EMF Immunity
2004/108/EC	BS EN61000-4-4:2004	EFTB Immunity
2004/108/EC	BS EN61000-4-5:2006	Surge Immunity
