

General Purpose 1RU Rack Tray

Mount A/V and networking equipment on a single 1RU rack shelf

- Slotted-pattern on bottom for mounting a variety of half-rack equipment.
 - Ideal for rackmounting NTI extenders, switches, video converters, and more.
- Equipment kept cool with precision-placed vents for maximum airflow.
- Depth options available: 10" or 12"
- Supports a weight capacity up to 25 lbs (11.3 kg)
- High quality, rugged steel construction with durable powder coat finish.

General Purpose 1RU Rack Tray with NTI Extenders

- **Depth Options: 10" or 12"**
- **1RU**
- **Weight capacity: 25 lbs**

The General Purpose 1RU Rack Tray allows you to mount A/V and networking equipment on a space-saving 1RU shelf.
